

# TITLE XI

## Chapter 63

### PROPERTY NUMBER SYSTEM

63.01	Statement of Purpose
63.02	Responsibility for Installation
63.03	Assessment

#### 63.01 STATEMENT OF PURPOSE

As a matter of public health and safety, the ability to identify locations of residences, businesses and other structures is essential. Responding to fire, police and other emergencies is greatly enhanced by an identifiable numbering system in all zoning districts within the City. The City has assigned street numbers to each residence and business location within the City of Blair.

#### 63.02 RESPONSIBILITY FOR INSTALLATION

It shall be the responsibility of each owner of property to display the assigned number on each residence and business location.

- (A) The number shall be on the front of each location.
- (B) The number shall be clearly visible.
- (C) The number on residences shall be at least three inches (3") in height.
- (D) Mobile homes shall be identified with lot numbers, also clearly visible with three-inch (3") numbers.
- (E) Existing residences and business locations shall have the numbers in place by November 1, 2001.
- (F) New locations shall have numbers installed within thirty (30) days of completion.

#### 63.03 ASSESSMENT

The City shall cause the installation of the numbers at owner expense for those who fail to comply. Such installation shall be treated as a special assessment pursuant to Chapter 15 of the City Ordinances.

November 7, 2011 – amend Section 61.02 and 61.03  
February 6, 2023 – renumbered to Chapter 63 (was Chapter 61)
