

Lake Henry Restoration Project

We need **YOUR** help!

We have been working hard to raise funds to restore Lake Henry and are very close to making it happen. To reach our goal we are looking for a minimum of 100 donors to give a minimum contribution of \$500, which may be tax deductible. These donors will be listed on the City of Blair website, www.cityofblair.org, as well as on a plaque that will be permanently displayed in the park.

Initial Restoration Goals –

Dredge Lake Henry to a maximum depth of 16' with an average depth of 9'.

Create a sediment pond upriver that will collect sediment prior to it getting to Lake Henry to simplify future maintenance.

Once the lake has been dredged and the sediment pond put in, there will be ongoing maintenance/restoration projects.

Create a fund to restock fish in the lake for fishing for years to come.

Checks can be made out to, The Friends of Lake Henry, Inc. and mailed to PO Box 142, Blair, WI, 54616 or dropped off at Safe and Secure Firearms, 302 Gilbert Street, Blair, WI 54616.

Thank you for your support!

If you have any questions, please feel free to reach out to any of the following for more information.
